**Bio:**

**An unorthodox**

**collection of three  
uncanny individuals,  
Skinner's Lane is a  
group highly  
motivated to excite  
listeners with their  
international twist  
on British music  
culture coupled with  
an ambitious and  
relentless  
determination to  
also put smiles on  
faces and lift crowds  
with their eccentric  
personalities and  
captivating stage  
presence.**

**"Zak and his band  
definitely set the bar  
high for acts to  
follow" - Purple  
Revolver.**

**The Liverpool  
garage rock band  
have been causing a**

**raucous across the Northwest with their animated style fused together with elements of psychedelia, indie and even prog-rock, supporting the likes of Chase City & The Wild Things. Hailing from Sandefjord, Liverpool and San Francisco, Skinner's Lane is an excitable band built on strong emphasis of punky guitar riffs and beats reminiscent of old school punk and noughties garage rock dipped in Californian psychedelia and surf. Having recently put final touches to their next highly anticipated single, Skinner's**

**Lane look set to send shock waves across the country with their refined, chameleon-like, fast paced brand of rock.**

**“The opening rumble of guitar and drums is reminiscent of indie gods Arctic Monkeys and Franz Ferdinand, whilst vocalist Zak’s singing gives a nod to classic punk pop tracks of the late ‘90s and early ‘00s.”  
- Liverpool Noise.**
